They All Failed.

The following letter from Mr. W. A. Thomson, of Columbus, Wis., is peculiarly interesting: "My wife," says he, "has been treated for her head, stomach and nervous prostration by three doctors in New York, two in Chicago, one in Philadelphia, one in Cincinnati, and at the large institute in Buffalo for 16 months. They all failed. But one bottle of Dr. Miles' Restorative Nervine helped her wonderfully. This should be used in all headaches, toothaches, changes of life, nervous disturbances, rheumatism, etc. Ask at J. W. Gayle's drug store for a trial bottle and Dr. Miles' new book on the Nerves and Heart."

Methodist Paper in Louisville.

The Kentucky Methodist is the name of the paper recently removed from Lexington, Ky., to Louisville. It is a weekly paper, with a broad column in good type and with excellent print, and is published at the low price of \$1.00 per year. Address, The Kentucky Methodist, Louisville, Ky., for a sample copy. An agent is wanted for this county, to whom a liberal commission will be paid.

As almost every denomination, except the Methodist, has a strong paper in the state metropolis, it would seem that the Methodist will want one. If so, they should give this paper a hearty support, as it is, or will be, the best they can ever hope to have.

A Fortunate Woman.

Mrs. Mary L. Baker, of Ovid, Mich., has reason to be very thankful. She was a great sufferer from heart disease, headache, etc. When she began to have hunger spells, pain in side, fluttering, faintness, etc. After taking two bottles of Dr. Miles' New Heart Cure, she says, "I am better than for 20 years. My mind and eyesight have improved wonderfully. I am a very poor person, thus afflicted, but with this great remedy." J. W. Gayle, druggist, recommends and guarantees it. Dr. Miles' work on Heart Disease, containing marvellous testimonials, free.

Was Born in Franklin.

Mr. Jos. F. Tureman, our oldest citizen, died Monday morning, at nearly 82 years of age. He was born in Franklin county, 2½ miles from

Highest of all in Leavening Power.—U. S. Govt Report, Aug. 17, 1889.

Royal Baking Powder

ABSOLUTELY PURE

Frankfort, July 7th, 1798. His family moved to Washington, Mason county, the following year, and opened a hotel. In 1813 the family moved to Mayville, where in 1815 Tureman married Miss Virginia Collier, and in 1822 he entered the dry goods business in Mayville. In 1825 he moved to this place and occupied the store room now occupied by A. S. Beck & Co. Mr. Tureman was married three times, to Mrs. Mary, Mrs. Cobine, Mrs. Rebecca Smedley, Doubtrey, and Rebecca Lander, in the order named. Mr. Tureman was a member of the Baptist church, and for many years held the office of deacon. He was a pure, spirited and charitable gentleman, and well always found where a good citizen was needed.—Carlisle item in Bourbon News.

The following is the programme for the "Educational Mass Meeting" of Franklin and Shelby counties, to be held to-day:

Response—J. H. Barnett, Shelby county.

Address—Jno. L. Scott, Franklin county.

Paper on subject appropriate to the occasion—Mrs. J. C. Bayne, Shelby county.

Paper or essay—Miss Lou. B. Cromwell, Franklin county.

Address—Prof. G. M. Money, Shelby county.

Original paper—Col. T. B. Ford, Franklin county.

Address—S. S. will do the work of renovation. In cases of indigestion, loss of appetite and general debility, this wonderful medicine acts with almost miraculous certainty.

It restores the activity of the liver, purifies the blood and builds up the system. As a tonic for young and old it is without a rival. Though it is powerful in its effects, the youngest or the oldest can take it with the most beneficial effects. S. S. has behind it a record of half a century, and is more popular as a household remedy to-day than ever before.

THOS. HUNTER, Chairman.

Multum in Parvo.

Because a thing is small in size, it is not necessarily less in value; Some insects have a larger weight; But life less than the hornet.

Some people may perhaps scorn, on account of their diminutiveness, Dr. Pierce's Pleasant Pellets. But a trial then convinces the most scornful sceptic that all the common affectionate dyspepsia, sick and bilious headache, quicker and surer than their large waisted competitors, the old style pill.

Changes of Climate.

Kill more people than is generally known. Particularly is this the case in instances where the constitution is delicate, and among our immigrant population seeking new homes in this country, where the climate is damp and typhoid fevers prevail at certain seasons of the year. The best preparative for a change of climate is to take a strong medicine which changes the constitution, such as Hosterter's Stomach Bitters, which not only fortifies the system, but removes the dampness, the coldness, the damp, and the debilitating effects of tropical diseases. It is a powerful medicine, and easily digestible. It has a decided effect in removing dysentery, rheumatism, rheumatic complaints, bodily troubles specially apt to attack emigrants and visitors to this country, and especially to those who travel. Whether used as a stimulant by sea voyagers, travelers by land, miners, or as a medicine for the new population of this state, this fine specific has created the highest favorable testimony.

Georgetown's New P. M.

Capt. Edward Cal. Barlow was on Thursday appointed by the President as Postmaster at Georgetown to succeed Justice C. Webb, the present incumbent. Capt. Barlow held the position under a former administration and made a good officer.

Oh, What a Cough.

Will you heed the warning; the signal perhaps of the sure diagnosis of that more terrible disease Consumption? Ask yourself if you can afford, for the sake of saving life, to undergo the mortification of a change of climate.

We know from experience that Shiloh's Cure will cure your cough. It never fails. This explains why more than a Million Bottles were sold the past year. It relieves croup and whooping cough, and other respiratory diseases without a doubt. For lame back, side or chest ease, use Shiloh's Porous Plaster. Sold by J. W. GAYLE.

FRANKFORT ROUNDABOUT.

Noticed at the post-office at Frankfort, Kentucky
as second-class mail matter.

GEO. A. LEWIS, Editor and Publisher.

FRANKFORT, JULY 4, 1891.

Teachers Elected.

At the meeting of the Board of School Trustees, held on Tuesday evening the following teachers for the white school were elected:

Miss Adelaid Schroeder,
Miss Julia R. Todd,
Miss Sarah Bell,
Miss Minnie Bell,
Miss Louise A. Ward,
Miss Sallie T. Railey,
Miss Anna Sullivan,
Miss Lena Lynch,
Miss Sue Joyce,
Miss Margaret A. Lewis,
Miss Scottie Chinn,
Miss Ella Stephens,
Miss Rachel Cromie,
Miss Mollie McFawn,
Miss Mary Browder,
Miss Maggie Page.

Misses Browder and Page are the only new teachers elected, the others have been teaching in the school heretofore.

A Kindergarten class has been added to the primary course and will be in charge of Miss Maggie Page, but children under six years of age will not be allowed to attend it.

Misses B. Cromwell, May B. Vanner and Addie Hawkins were selected as supply teachers.

Mr. Samuel Stone was elected as Engineer for the year but the position of Janitor was left vacant until the school opens in September.

All the old teachers in the colored school were re-elected and Claude Higdon was elected to teach the colored night school by the month.

Jesus Hocker was re-elected to serve as Janitor by the month.

Family Poisoned.

Just after breakfast Tuesday morning Mr. J. B. Hamilton and wife, their son-in-law, Mr. F. W. Samples and Mr. Eugene Wolf, who board with them, were taken violently ill, and a physician was immediately summoned, who, as the symptoms indicated that they had been poisoned, promptly administered antidotes. Messrs. Hamilton and Wolf were able to be out the next day but Mrs. Hamilton and Mr. Samples are still suffering from the effects of the poison, whatever it was.

The four who were taken sick ate beefsteak for breakfast but the other two members of the family, Mrs. Samples and her brother, Mr. Sidney Hamilton, did not partake of it, and the supposition is that the meat caused the trouble. The steak was purchased from Mr. Dan Gantton, who says he sold cuts from the same piece to numerous other customers, who ate of it and suffered no inconvenience.

As no chemical analysis was made of the meat, the cause of the trouble is a mystery.

Committee Meeting.

The State Executive Committee of the People's Party held a meeting in this city on Wednesday to make arrangements for an aggressive campaign, at which Hon. H. E. Taubeneck, of Illinois, chairman of the National Executive Committee, was present. He is a member of the Illinois Legislature and during the Senatorial dead lock in that body last winter persistently refused to cast his vote for Gen. John M. Palmer and voted alone on the last ballot for Streeter, the labor candidate.

Brought Back.

Henry Mekler, a convict who escaped from the Penitentiary about a year ago, was arrested in Louisville recently as a suspected felon and while serving a sentence in jail was discovered to be an escaped convict. He was returned to the pen on Tuesday.

Real Estate Transfers.

Mr. Louis Weitzel has sold the south half of his residence, on Madison street, to his son, Mr. Chas. Weitzel, for \$3,000, and a lot 33 by 125 feet lying between the residence and the property of Mr. Sullivan, on the north, to his daughter, Mrs. Ed. L. Meagher, for \$1,000. Mr. Chas.

Weitzel will build an addition to his part of the house in the shape of a hall, stairway, &c., and Mrs. Meagher will shortly begin the erection of a new residence upon the lot.

Won a Race.

The second race on Monday, at Washington Park, Chicago, was won by Col. L. P. Tarlton's two-year-old filly, Dearest, beating a field of seven. Time 1:07. The race was for a purse of \$800.

Revenue Collections.

The amount of internal revenue collected in this city by Deputy Collector L. P. Tarlton during the month of June was \$75,342.45. The collections for the year ending June 30th, amounted to \$258,682.50.

A Nice Day for It.

Wednesday was the coolest and most pleasant first of July we have had here in years, and was greatly enjoyed by the collectors, of whom an army were upon our streets, each trying to be the first to get in their little bills.

Tries to Explain.

A suspicious looking object was found in the grip-sack of Col. W. S. Dehoney, upon his return from Paris, where he went Saturday afternoon to assist in the organization of a new Commandery of Knights Templar, and he has been trying ever since to give a satisfactory explanation of how it got there.

Paralyzed.

We learn from the Paris Kentuckian-Citizen that Mr. Robert McMillan, formerly of this county but for the past six months a resident of Paris, was stricken with paralysis while working in his garden in that city on Tuesday. Mr. McMillan is 84 years of age and his recovery is doubtful.

LATER-Mr. McMillan died Wednesday morning.

I. O. O. F. Election.

Capital Lodge, No. 6, Independent Order of Odd Fellows, elected the following officers on Monday night, for the ensuing six months: James Taylor, Noble Grand; Thomas Hunter, Vice Grand; C. A. Nelson, Secretary; Geo. W. Reock, Treasurer. W. M. McEnnis, Host. They will be installed on Monday evening next.

Attention, Police.

The attention of the officers of the law is called to the fact that a gang of boys, both white and black, make a practice of going in bathing in broad day light in the pond at the corner of Murray and Campbell streets. They make no pretense of wearing bathing suits, but are perfectly nude and their vile language and indecent exposure of their persons has become unbearable to the residents in that neighborhood, and they should be looked after at once.

The New Directory.

Mr. J. B. Dryden is making fine progress with the work on his new directory of the city of Frankfort. The merchants, as far as Mr. Dryden has been able to canvass up to this time, have responded very liberally. He will, during the next week, be able to visit our business men, and we hope everything will be done by all of our people to encourage him in this much needed work. He proposes to make the new book complete in every detail, as a reference book. It is his intention to have the book ready for delivery by September 1st.

Case Argued.

The trademark case of Labrot & Graham vs. Jas. E. Pepper, involving the right to use the name and title of "Old Pepper Whisky," for the product of their distillery on Glens Creek, was before Judge Barr of the United States Court, in Louisville, on Tuesday. Labrot & Graham obtained an injunction some time ago restraining Pepper from so using the brand and they now claim he has disobeyed the injunction and are seeking to have him punished for so doing. The case was argued by Judge Wm. Lindsay for Messrs. Labrot & Graham, and Judge Alex Humphrey and Col. John Allen for Pepper and submitted to Judge Barr for final decision.

The Tate Cases.

On Wednesday the Circuit Court took up the cases of the Commonwealth vs. The Bondsmen of James W. Tate, late State Treasurer, and the first one to be tried was that against the sureties upon the bond for the term of office from January 1, 1882, to January 1, 1884. According to the decision of the Court of Appeals in reversing the decision on the first trial, the only question in the case was to determine the amount that Tate was short during that term. All of Wednesday was consumed in arranging the pleadings and in selecting the jury, and Thursday morning the trial was begun. The following gentlemen compose the jury: M. D. Averill, Wm. F. Jones, William Seay, Chas. Pearce, W. G. Roberts, Leonidas Rucker, Robert W. S. Penn, John Bodkin and John Watkins.

The trial is still in progress.

Got Damages.

The case of J. W. Sanderson vs. Mason & Foard Co., lessors of the Kentucky Penitentiary, and Rinehart, Clark & Locker, sub-lessees of convict labor on railroads, was tried in the Circuit Court on Monday, and the jury returned a verdict Tuesday giving the plaintiff \$1,000 damages. Sanderson—a convict who was sent from Graves county for one year—was sent out to work upon the railroad, and while so engaged received injuries from falling rock in a tunnel which disabled him for life. He sued for \$25,000.

The Day We Celebrate.

As this is the glorious fourth, there will be an effort made to celebrate it with a street parade and picnic at Lake Park, where a balloon ascension is advertised to take place and the Hudson, Humphries & Cassell Base Ball Club will play a game with the Nicholasville Base Ball team. Beside this the Clay Bank Club will have their usual picnic at Walcutt's spring, near the Big Eddy. A great many people will take advantage of the reduced railroad rates to spend the day in other cities.

Burglarized.

Burglars are still at work in Georgetown. The residence of Mr. Howard Stedman, formerly of this county, in that city, was entered on Saturday night, he being absent on a business trip for the Bluegrass Cordage Company and his family on a visit to his parents at the Forks of Elkhorn; but the burglar was frightened away by a young man by the name of Cleveland and the neighbors before he secured anything of value.

Nerve.

There is nothing like it. It is the foundation of all action. The man without it is a failure. Many men and women are overworked, suffer from nervous prostration and longing for something to restore them again to vigor and health. There is one medicine that will accomplish the desired result. Dr. Hale's Household Tea cures nervous prostration, making the weak strong and giving a new life to all the vital organs of the body. It is the finest remedy known. Dr. Hale's Household Tea, the great Blood Purifier and Nerve Tonic, is sold at 25 and 50c at Phil. Carpenter's South side drug store. 2

Newspaper Changes.

On Saturday Mr. John B. Dryden sold his interest in the Evening Journal to his partner, Mr. Moses O'Connor, who will continue the publication of that paper. Mr. Richard Van Derveer will do the reportorial work.

Robt. Stout, a young lawyer, has bought the Versailles Clarion from Fred Henry, Mr. Henry will accept a position on the Chicago Herald.

Successful Driver.

J. H. Goldsmith, who had such great success in the Grand Circuit last year with Pimlico and others, writes, "I have given Quinn's Ointment a thorough trial and I can truthfully say it is the best preparation for removing a Splint or Curb that I have ever seen."

FRANKFORT ROUNDABOUT

FRANKFORT, JULY 4, 1891.

A New Daily.

Squire Pat. McDonald is thinking of publishing his paper, *The Argus*, as a daily instead of weekly as heretofore.

A Fine Crop.

The wheat crop has about all been harvested and is one of the largest raised in this county for years.

Moved North.

Judge Caswell Bennett and family has removed from the South Side and are now occupying the house of Mr. W. H. Waggener, on Main street.

Mazy Sunk.

The little steamboat *Mazy*, which was attacked by U. S. Marshal Con. McCarty several weeks ago and tied up for debt, sank at Gaines' wharf Sunday night.

As a general liniment for sprains and bruises or for rheumatism, lame back, deep seated or muscular pains, Chamberlain's Pain Balm is unrivaled. For sale by J. W. Gayle. 43-1m.

Improving.

Capt. Sanford Goin went to Lexington on Tuesday to visit his wife, and his many friends will be glad to know that he found her greatly improved. Dr. Clark thinks she will be able to return home in a few weeks.

Semi-Annual Dividends.

The Deposit and Frankfort Nation, al Banks have declared a dividend of three per cent, and the Bank of Kentucky and the Farmers Bank will declare theirs Monday—the former four per cent and the latter three per cent.

Change of Base.

The topographical party of the Geological Survey in charge of Mr. F. H. Bagby, who have been working in Trigg county for several months, have transferred their headquarters to Trenton, in Todd county, which vicinity they are now engaged.

Hurrah for Spalding!

Mr. C. C. Spalding, who is a candidate to represent Marion county in the next Legislature, has announced as part of his platform, opposition to the removal of the capital from this city. He will be very apt to be elected and Frankfort is for him sold.

Mr. John Carpenter, of Goodland, Ind., says: "I tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, for diarrhoea and severe cramps, and pains in the stomach and bowels with the best results. In the worst cases I never had to give more than the dose to effect a cure. In no cases one dose will do. Besides its other good qualities it is pleasant to take." 25 and 50 cent bottles for sale by J. W. Gayle. 43-1m.

Worked at the Case Here.

Mr. Harry B. Morehead, the wealthy broker of Cincinnati, who has recently bought a large interest in the Commercial Gazette, of that city, is a son of ex-Governor James T. Morehead, of this State, and worked at the printer's trade in the old Commonwealth office, in this city, in 1863-4.

Insurance Paid.

Mr. H. G. Mattern, Secretary of Frankfort Council, No. 7, Royal Templars of Temperance, received on Saturday and turned over to Mr. R. K. McClure, as trustee for the widow and guardian of the children of the late James McFarland, a check for one thousand dollars, being the amount of insurance held by Mr. McFarland in the order of Royal Templars.

Weather for July.

Prof. Iri R. Hicks, of St. Louis, who has made close guesses at the weather for the past year, makes the following predictions for this month.

Storms in progress at the opening of July will wind up to the east about the 2d. About the 5th and 6th, a low barometer will cause an oppressive, warm wave. The presence of the new moon added will cause a high tide on the 6th to 8th. Cooler air and fresh breeze will bring a "breathing

spell" until about the 10th, when it will begin to grow very hot, continuing in excessively high temperature and storms about the 11th, 12th and 13th. Note the 12th and 13th. Another "breathing spell" may intervene before the reactionary movements on and next to the 17th. From 23d to 26th is the next period of fever and heat, with a short dry spell of summer about this time. Mercury is on the 26th, and will add cloudiness and mugginess up to reactionary days, 29th and 30th. Possibly cooler about 29th, 30th, 27th.

During the epidemic of flux in this country last summer, I had hard work to keep a supply of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand. People often came ten or twelve miles in the night to get a bottle of the Remedy. I have been giving patients remedies for ten years and find that it has given better satisfaction in cases of diarrhoea and flux than any other medicine I have ever handled.—J. H. Benham, Druggist, Golconda, Pope Co., Ill. Over a hundred bottles of Remedy were sold by me during the epidemic referred to. It was a perfect success and the only remedy that did cure the worst cases. Dozens of persons there will certify that it saved their lives. In four other epidemics of bowel complaints I have referred has been equally successful. 25 and 50 cent bottles for sale by J. W. Gayle. 43-1m.

Advertised Letters.

Below will be found a list of advertised letters for the week ending July 4th, 1891:

Amy, Mrs. A. A. Kid, William Miller, August Burnett, Jess. Miller, August Burnett, Mrs. Mattie McCrory, Mrs. Martha E. McCreary, Capt. Buckner, Sam. Peters, Mr. Birttie Craighead, Birdie Russell, Mrs. Della Ferdinand, Calvert Rodgers, Miss Lucy Douglas, Anderson Riling, Nathan Drule, Rev. F. R. S. Sothern, John Farnsworth, Robert Stevens, Tine Ford, Emma Sanders, Willie Fields, Joe. Willis, Miss Cordie Gray, Mrs. M. F. Hammond, Elijah Waits, H. P. Hunday, Chas. Woods, Miss Minnie Hawkins, J. S. Wiley, Mrs. Memory Johnson, Morgan Young, Sanford Frank & Anderson.

When calling for these letters say advertised.

J. M. SAPPELL Postmaster.

The Queen Pawned Her Jewels.

Queen Isabella, of Spain, pawned her jewels to raise money to fit out the expedition that discovered the new world. Her sacrifice is not greater than is made by many women of America, who deny themselves many things, in order to have money to buy Dr. Pierle's Golden Medical Remedy for all the aches and pains of children. This "Discovery" is more important to them than the one made in 1492. For all diseases of the lungs, liver, throat or stomach, the "Discovery" is a sovereign remedy. A trial convinces, its continued use cures. It purifies the blood, invigorates the system, removes all disease from the whole system. Guaranteed to benefit or cure in every case, or money paid for it returned.

One Fare for the Round Trip.

On July 3d and 4th the N. N. & W. Co., E. D., will sell round trip tickets between all stations at one fare for the round trip. Tickets good to return until or before July 6, 1891.

A special train will leave Lexington at 11 p.m. Saturday, July 4, for Mt. Sterling and all local points to accommodate those desiring to witness the great display of fireworks at Woodland Park, Lexington.

Syrup of Figs.

Produced from the laxative and nutritious juice of California figs, combined with the medicinal virtues of plants known to be most beneficial to the human system, acts generally, on the kidneys, liver and bowels, effectually cleansing the system, dispelling colds and headaches, and curing habitual constipation.

Slight Blaze.

The engine room of Mr. J. M. Wakefield's saw-mill caught fire Thursday afternoon, but the flames were extinguished by the mill hands, and no alarm was turned in. Damage slight.

GEORGETOWN, Ky., July 1, 1891.
To the Editor of Frankfort Roundabout:

DEAR SIR: We would like for you to insert the following in your paper as a correction of the article that appeared in last week's paper:

Owing to a series of misfortunes that have befallen us since our removal to Frankfort, we were compelled, in proportion to our resources, and ourselves, to make an assignment on the 20th of June. On the 16th of February, 1890, J. P. Wayts, senior member of the firm of J. P. Wayts & Co., died. The protracted illness and care of said J. P. Wayts was very expensive and left us very weak financially. Following this a very large frame residence that we had built for Mr. W. O. Paden, of the Stone & Hines Lumber Co., was thrown upon our hands because of the weak financial condition of the Stone & Hines Lumber Co., who failed in a short while thereafter after recovering from these blows, one W. H. Sutherland, June 1st, 1891, a contractor who was erecting two very large frame residences here, threw up his hands and left, owing us a considerable bill. Not only did we have to make collections to replace the above loss at time needed we were threatened with suits. After due consideration we concluded the best thing we could do would be to assign. Our assets about \$19,160.00. This does not include our Frankfort property. Arrangements have been made for us to continue with our business as usual. Hoping you will make the statement in defense of ourselves, we remain,

Respectfully,
J. P. WAYTS & CO.

IN MEMORIAM.

Of all the sad and heart-rending scenes that our correspondent ever witnessed was that of the death of Mr. Charles M. Jenkins, which occurred at his home, 410 Main street, on Friday night, June 17th, caused by the accidental discharge of a gun, the accident precipitating his death.

The subject of this notice was born the 23d of March, 1834, making him 37 years, 3 months and 26 days old.

He made a profession of religion, under the pastorate of Rev. A. C. Miller, for 10 years, and united with South Baptist Church, but in the year 1884 entered into the organization of the First Baptist Church, of which he was a member, and a zealous worker in the cause of Christ. He was consistent with his profession.

He was a man of high character, noted for sobriety, industry and honesty, and in fact, he was a man of the grace that go to make up the true man.

His devotion and ardent zeal in whatever he undertook, and his marked success in every affair, was commanding and noteworthy, thus being always true to his conviction of duty.

No man in this community who stood higher in the estimation of his neighbor, or a friend more true than Charlie. His life was a life of usefulness, and though a household in this section, if tears are indicative of misery, many, many instances were past, of real tears of cheerfulness, of him as friend, relative, husband, father and Christian.

The subject of this notice was the oldest daughter of Squire J. H. Bechtel, on the 14th of April, 1879. A most happy couple never lived, and their death ended the existence of the devoted husband.

Economy, frugality, industry and honesty he had made his motto, and he had made a pleasant home, which was surrounded with many necessities and comforts of life, but while ready to die, he said to his wife, "I would that my God should see fit, in his providence, to snatch from the earth, a loving and devoted wife one of the first steps in the path of manhood, is more than we poor little beings can bear; but, we must trust in the Lord, for we know that he doeth all things well, and that the wisdom of man was exhibited will be rewarded."

A vacant chair is left around the once happy little family circle, an empty seat in the house of God, and a void in the heart of a widow, left upon the mantle of reproach never raised. Charlie was highly esteemed and his character was a credit to his wife, and his wife was a devoted wife, little known, and unheralded, and all of one with her husband, and a credit to that she was around him during his manhood.

We would not chide you, dear sister ones, for weeping over the loss of your loved ones, we are allowed to witness the loss of sons & bright hope, may bowed heads crush a hundred hearts, but we are allowed to say, "Lord, not we will, but we shall be done."

Appropriate funeral services were conducted at the home of the deceased by Rev. H. C. Roberts; his remains were then removed to their last resting place in the family graveyard; it being the wish of the deceased to be buried with his relatives and friends. To those who have been grieved we say, "comfort ye one another, for God's grace sufficient to comfort this great loss."

May the devoted mother of little Hugo train up in the ways of the Lord, and may the little tender plant that has been entrusted to her care and keeping, and may all will meet again when the here of this sad death will be revealed.

Then we part, and say to all,

God will avert all tears,

There's only a little while,

Though you may call it tear.

Among the Colored Citizens.

The St. John A. M. E. rally was up to the expectation Sunday, that is in a financial way. After the rain the number at the Opera House was small. Rev. Credit preached in the afternoon and Rev. G. W. Hatton preached at the Church at the night. The Church was well filled and a large collection was lifted.

Prof. Monroe was to deliver a lecture last evening at the First Independent Baptist Church. At the time we go press a small crowd was gathering.

Miss Sophie Rickard left for home Monday to spend the vacation.

Monday, July 13th, John H. Thompson and his wife will leave for Danville to attend the meeting of the Grand Lodge of Odd Fellows.

Mr. Alex Rays has gone to Lexington for a visit.

Mr. Junius Johnson, of Virginia, is in the city this week and will return to-night.

Mr. Dangerfield, of Louisville, was in the city this week.

Miss Pink Smith, Mrs. Stapleton and Mrs. Perkins, of Louisville, came up Sunday with Miss Katie Washington to spend a week with Mrs. Mary Cook.

A social was given, at the residence of Mrs. Miller on Wednesday night. A pleasant time was had. The Gates string band furnished some of their selections during the evening, which made it the more enjoyable.

Mr. Frazier, of Versailles, was in the city Saturday.

Rev. Credit, Prof. Monroe, Mrs. Greenup and Miss Walker were in Georgetown last week.

Camp Douglas, No. 3, K. of F., and Charity Lodge U. B. F. went up to Georgetown last week.

The Clay & Tatbott Brass Band were out Saturday night in full dress uniform.

The commencement of the High School for girls, taught by Mrs. Matilda Anderson, took place on Friday night the 29th ult., and quite a large audience was present. The programme was very interesting and all the children who took part in the movement that the girls did in the program in every particular.

Three young ladies graduated and three addresses were delivered by J. H. Welch, Rev. Jas. M. Turner and Edward Lane. This is one of the oldest colored schools in the city, and the able manner in which it has been conducted has gained for Mrs. Anderson many high compliments.

The news we reached this city that Mr. Armor Blackburn was very sick and it is thought can not recover. This will be sad news to his many friends. He has been a sufferer for some time.

Every member of the Industrial Legion Lodge is expected to be out at the meeting next Wednesday night, as business of importance will come before the order.

The Frankfort Bass Ball Club will cross bats with the mountain boys Sunday and Monday at their grounds. Every one should see this game, as our boys are sure to beat them.

Not The Right Word.

"No," said Bertha sadly, "pain doesn't express what I suffer at these times—it is simply 'anguish'! I know I ought to consult a physician, but I dread it so! I can't bring myself to do it. Then, too, 'female diseases' always seemed too indelicate to me, I can't bear to have any one know or speak of them."

"Yes, dear," answered Edith, "but don't you know you can be cured without going to a physician? send to any druggist for a bottle of Dr. Pierce's Favorite Prescription, and take it, and I warrant you'll feel better in a few days."

The manufacturers warrant the medicine, too. They guarantee it to do exactly what it claims, viz: to cure leucorrhea, painful irregularities, excessive flowing, prolapses, infirmities of uterus, ovaries, womb, heart, and the innumerable other "female weaknesses." It so strengthens and builds up the uterine system and nerves, that worn-out, run-down wives and mothers feel rejuvenated after taking it, and they are saved the painful embarrassment and expense of a surgical examination and a tedious, tiresome treatment.

Resolutions of Respect.

The following resolutions were adopted by the Bridgeport Farmer's Alliance:

WHEREAS, On the evening of June the 17th, 1881, Chas. M. Jenkins was accidentally killed by a load from a double-barrel shot gun; that we have lost a faithful member in the

general feeling of all connected with the organization. Our loss is irreparable. Taken in his physical condition, we will be most needed in every calling in which he engaged; there for.

Resolve, That we miss him as a wise counselor in all the deliberations of the Alliance.

Resolve, That we recognize the hand of the Lord, and how submissively to His will. That, under a painful sense of our great loss, and the common loss of the community, we recognize that a faithful standard bearer in the Bridgeport F. & L. U. has fallen.

Resolve, That we hereby express to the deeply afflicted family our unfeigned sympathy and condolence; that a copy of these resolutions be spread upon the records of the Alliance; a copy sent to the Frankfort Courier, for publication, and a copy sent to the family of the deceased.

Five young ladies and one young man will be graduated, and will be described by the State Board of Education, and on Friday, July 31st, we will have the commencement exercises in the City School Building. These exercises will consist of addresses, essays and music. We wish to make this an occasion long to be remembered by all who are directly interested but by all who may be present at that time.
